

RUBBER RAMPS

Available in:

- 20 different heights (4 - 72 mm)
- 3 standard widths (700, 900 and 1000 mm)

- With a non-slip surface
- Easily customisable and reusable
- Easy to clean
- Approved up to a load of 350 kg
- For both indoor and outdoor use

The ramps are made from recyclable rubber (TPE) and are free of PVC and other harmful phthalates. Good for you and the environment.
